

# Product Information

## Teepol SANICIDAL Concentrated Multi-Surface Sanitizing Cleaner

**INDUSTRIAL CLEANING SOLUTIONS**

### High Strength, Non-Perfumed, Sanitizing Detergent

- Teepol SANICIDAL is a high quality detergent based on quaternary ammonium compounds, compatible surfacants and builders
- Ideal for use in the food industry and in areas where unpleasant odours may become apparent, such as bathrooms, refuse areas and food storage spaces

#### DIRECTIONS FOR USE

- For general cleaning of walls, floors and work surfaces a dilution of 1 : 50 is recommended, with a minimum contact period of 5 minutes
- In areas such as washrooms and toilets, a dilution of 1 : 25 is recommended, with a minimum contact period of 5 minutes

#### PRECAUTIONS

- When used as recommended, Teepol SANICIDAL will not cause skin irritation
- However accidental splashing will cause irritation of the eyes. Wash with large quantities of water and if irritation persists, seek medical attention
